A COMMUNITY OF LEARNERS

**Welcome to the First Day of School**

Many things happened in the new campus on the first day of school.  
First of all, face recognition was used at the school gate, - so convenient!  
The bright yellow school buses also carrying laughter arrived at the school on time.

The EY teachers set up lovely background boards and prepared toys for the children.  
Teachers at the school gate gave directions to students and helped them get to their classes.

2021-2022

# NBIS WEEKLY NEWSLETTER

Delicious and nutritious meals for the students were served in the Dining Hall.

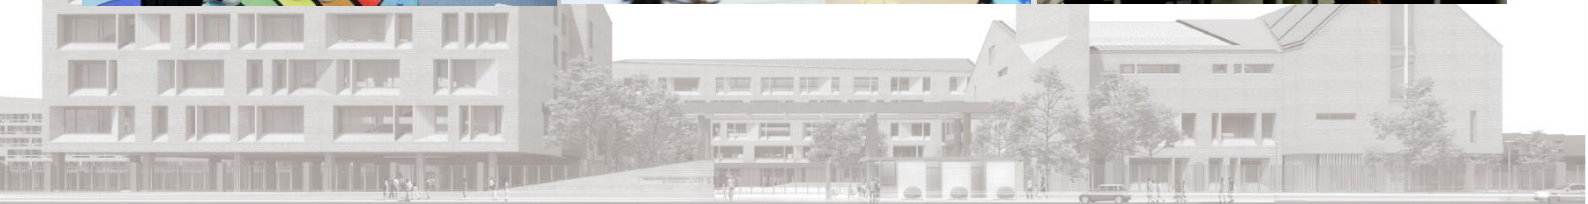

We teach our children to be independent all the time. The younger children can feed themselves and the older children can get their own food.

Look, the little girl is very curious about the camera!

The students are well adapted to the new environment. What a wonderful day!

This is a new beginning for NBIS and let's write a new chapter together!

A COMMUNITY OF LEARNERS

**Reception B**

**Reception B's first week at school 2021-2022**

The Reception B children have had a fabulous start to their school year. There was great excitement on the first day as they arrived in the classroom ready to begin their school year.

The children have been busy exploring their new classroom environment and resources, building relationships with their Teachers and classmates, and learning the new routines of their school day. Over the week they also had the opportunity to tour the school visiting areas that they will use during their school week. There was a lot of excitement when we visited the new buses!

We are looking forward to the year ahead!

**Year 1A**

## Welcome to Year 1A

I hope you all had a lovely summer holiday. It is very exciting to have all the children back in the classroom now. It will be fantastic to see them all smiling and happy and making great progress, academically, emotionally and socially this year.

Singing the Hello song together.

Finding where things are in the classroom.

Sharing a story 'Starting School'.

Doing some independent work.

# Welcome to Year 1

**Year 6A**

# HAPPY FEET FROM 6A!

Happy feet filled the classrooms, corridors, walkways and just about every area of our brand- new state-of the art campus this week and these happy feet belonged to children and staff alike who topped off the happy theme with happy smiles and wonderful expressions of joy and appreciation for the beautiful campus and all the hard work that went into getting our campus ready for September 6<sup>th</sup>.

**“I think it is big, clean and beautiful and I like the skywalk.” – Howie (6A)**

**“I love our new school. I feel like everything so good ...just like a new home.”**

**– Sharon (6A)**

Year 6A students, although among the most mature of the Primary family, were just as excited as the younger students and could not wait to experience it all and dive into the business of learning and having fun.

We are no longer *on the move*... we have made it, and we have done so in fine style. It will be quite a while before the excitement wears off and so we are savoring every moment. We continue to have Happy feet!

Contributed by: Mrs. Aileen Shirley and Ms. Celeste Li, 6A

**A Letter to Secondary Parents about IELTS**

Dear Parents,

We are pleased to announce that NBIS is able to offer IELTS classes to Year 12 and 13 students. Our new IELTS teacher, Mr. Sean Pollitt, has experience teaching IELTS at Ningbo University and will teach Year 12 IELTS. Mr. Ivan Muhov will continue to teach Year 13 IELTS. Depending on availability according to your child's timetable, they can attend up to three IELTS classes per week at no additional cost.

**What is IELTS?**

The International English Language Testing System (IELTS) is designed to help students who wish to work, study or migrate to a country where English is the native language. This includes countries such as Australia, Canada, New Zealand, the UK and the USA. The ability to listen, read, write and speak in English will be assessed during the test. IELTS is graded on a scale of 1-9.

IELTS is jointly owned by the British Council, IDP: IELTS Australia and Cambridge Assessment English. For more information, please visit the website: <https://www.ielts.org/about-ielts/ielts-for-study>

**Why take IELTS?**

If your child wants to live or study in an English-speaking country, then you must be able to demonstrate a high level of English language ability. Over 3.7 million students study abroad every year. Many students study in English-speaking countries, such as Australia, Canada, New Zealand, the UK and the USA.

IELTS is recognised by more than 11,000 education and training providers worldwide. Some universities in non-English speaking countries also require an IELTS score if the course is taught in English.

The higher a student can score in IELTS, reflects a better understanding and ability to communicate in English. Each immigration body, university, workplace, or institution will have specific IELTS score requirements. The score needed will depend on what you are looking to do in the country, i.e work or study.

Please encourage your child to explore Universities they would like to attend and check whether they need to take IELTS and what IELTS score is required.

For further advice about university admission, students can book a meeting with our counsellor: Ms. Paulette Irakoze: [paulette.irakoze@nbis.net.cn](mailto:paulette.irakoze@nbis.net.cn)

Kind regards,

Alicia Froome

Acting Head of English

### Inspector of Ningbo Education Bureau visits NBIS

September 9<sup>th</sup> 2021, Mr. Weiming Wang and other visitors from Ningbo Education Bureau visited Ningbo British International School to inspect the campus opening work.

Mr. Weiming Wang was impressed by the environment of the new campus and attracted by the international concept and the construction effect. He believes that NBIS will become better and better and become a leading international school in Zhejiang. It is also a window to the world, providing high-quality international education services.
