Honorary Principal Mr Philip Billing Visits NBIS

Honorary Principal Mr Philip Billing visited NBIS from June 11 to 7th July. Mr Phil is thrilled to meet our community and he works closely with the SLT and will participate in the upcoming Board Meeting. His presence and insights are invaluable, and we look forward to the positive impact of his visit on our school.

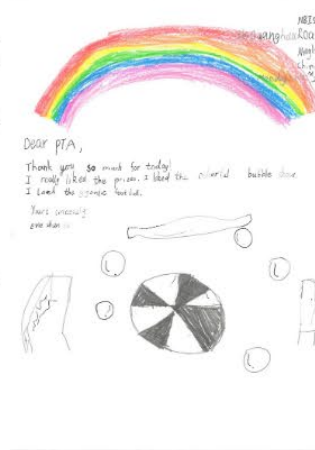

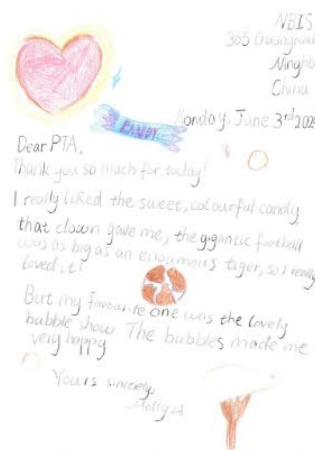

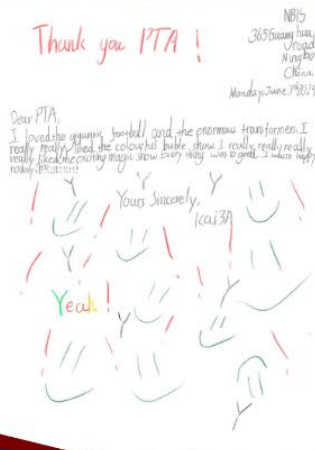

PTA Appreciation

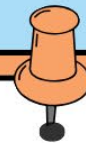

We sincerely thank the NBIS PTA for bringing joy and a lively atmosphere to our campus with the PTA Cafe. The funds raised from selling delicious nibbles and drinks will support future school events. We are incredibly grateful for the unwavering support from our PTA parents.

A delightful surprise was the heartfelt thanks and best wishes from our Year 3 students and from thoughtful Secondary teachers, adding a special touch to the event.

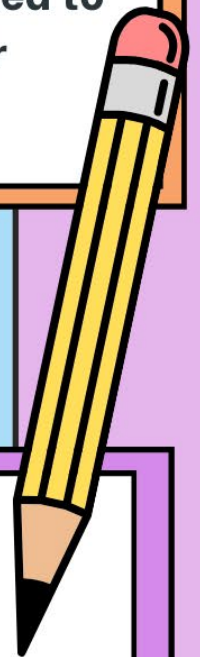

YOU'RE LIKE A GRAPH JUST RAISE THE BAR!

By: Ms Nicole Breedt & Ms Eve Xu

YEAR 2C

We have been experimenting with statistics this month. Through the use of bar graphs and pictographs, students have been learning how to gather data and portray it. They have been studying the steps needed to represent their data.

LIFE IS LIKE A **GRAPH**
ALWAYS FULL OF UPS AND DOWNS

NBIS Takes the Field

Primary Baseball Team Showdown

On June 1st, Children's Day, NBIS Primary Baseball ECA students stepped up to the plate for an exciting baseball match against a local school. Held at Guang'an baseball field, the game was a vibrant display of youthful energy and sportsmanship.

As the game kicked off, NBIS players showcased their teamwork and skills, putting pressure on the competitors with their aggressive plays. NBIS's determination and spirited performance kept the game intense and engaging.

After a series of exhilarating innings, the final score mattered less than the bonds formed between the players. With warm embraces and handshakes, all players from the two teams celebrated the game and the friendships that blossomed on the field.

This event exemplified the values of sportsmanship and camaraderie that NBIS instils in its students. As NBIS looks ahead, the formation of U8 and U10 baseball teams promises even more opportunities for young athletes to showcase their skills and grow as individuals.

Go NBIS Baseball! Go NBIS kids! Every day is an opportunity to learn, grow, and make lasting memories.

Baseball

NBIS Students Shine in Junior Mathematical Challenge

Mr Joseph Buck

April 26th, 2024, 27 students took part in the Junior Mathematical Challenge (UKMT-JMC) at school.

UKMT encourages mathematical reasoning, precision of thought, and influence in using basic mathematical techniques to solve interesting problems. Among many mathematical challenges organised by UKMT, their biggest competitions are the Junior, Intermediate and Senior Mathematical challenge (JMC/IMC/SMC), which have over 700,000 students from 6,000 schools each year, and are the UK's most popular school Mathematical Challenges.

The Junior Mathematical Challenge (JMC) is based on the knowledge learned in the classroom, allowing students to apply their mathematical knowledge to solve problems in a novel way. There are some challenging questions designed to develop students' critical thinking and mathematical reasoning skills, to stimulate their enthusiasm for learning mathematics and to enjoy solving puzzles.

The Junior Mathematical Olympiad (JMO) is an advanced challenge to JMC, but with no promotion relationship. JMO encourages students to improve their mathematical reasoning skills, refine their logical thinking and acquire higher mathematical skills.

Secondary Section

A special shout out to the students from Primary and Secondary for their outstanding performance during the UKMT-JMC.

 Gold	 Silver	 Bronze
Cherry Chenhao Y6	Kaylee Kirkpatrick Y6	Ariana Rutherford Y5
Ruoyu Lai Y6	Anne Xu Y6	Beatrice Zhang Y5
Jason Hu Y7	Yuhua He Y7	Elton Lu Y5
Tony Zhou Y7	Agnetha Y7	SiYuan Yu Y6
Jenny Lin Y7	Terry Fongsiang Y8	Daniel Lanzoni Y8
Zhenghua Li Y7	Bruce Zhang Y8	Valentine Bignon Y8
Sean Zhang Y8	Saleh Ahmed Y8	Serana Xu Y8
Howie Ding Y8		
Matthew Xia Y8		
Dylan Towey Y8		
Dean Liu Y8		

A special congratulations to Dean Liu in Year 8 for scoring Gold and Best in School.

We would like to acknowledge the effort for all students for their participation in the exam. Once again, CONGRATULATIONS to all award winners and we hope to see you again!

Secondary Art Exhibition Recap

Ms Sam Clegg

From May 27th to May 31st, the staff lounge in Building 1 hosted the vibrant Secondary Art Exhibition, showcasing the creative works of our talented students. This event highlighted the diverse artistic expressions developed over the academic year. In addition to the outstanding artworks from the Secondary, contributions from the Primary section and UNNCAHS bring a distinct charm to this exhibition.

Visitors enjoyed a variety of artworks, including paintings, mixed media pieces, and photography. The exhibition celebrated creativity and brought together students, parents, staff and the local community.

The exhibition was a resounding success, celebrating student talent and fostering community spirit. Thank you to all who attended and supported this event. We look forward to next year's showcase!
